

## Introducing the new PE Pocket Card Redesigned for 2013

TBPE announces the new PE Pocket Card. The new card utilizes our new logo which was recently designed to better represent the agency. The card is still on the self-laminating stock enabling engineers to sign and then laminate the cards for better durability in the wallet.

**Watch for the new card when  
licenses are renewed throughout 2013.**

TEXAS BOARD OF PROFESSIONAL ENGINEERS  
1917 S INTERSTATE 35  
AUSTIN, TX 78741-3702

This pocket card is self-laminating. Please do not remove this card until you have signed your card and read the instructions below.

1. Peel card off at top front corner.
2. Turn card over and place front of card face down into clear panel.
3. Push card back through clear panel, breaking perforation.
